Dear Dr. Albert:

Thank you very much for your letter of 15 April. We are very glad to know that you will be able to attend the meetings of the Mathematics Panel on 20-21 May 1954. Due note has been taken of your desires as regards the method of travel.

You probably know that Dr. Laibler is out of the country on vacation. He is due back on 18 May and therefore I feel that I am warranted in tentatively accepting on his behalf your very nice invitation to luncheon on Saturday, 29 May, at the National Academy. I, too, accept with many thanks.

Looking forward to seeing you at the time of the Mathematics Panel meetings, I am,

Sincerely yours,

WILLIAM F. FRIEDMAN
